

CAMP KANDALORE

Founded in 1947, Camp Kandalore has grown to become one of Canada's best and most well-respected children's summer camps. Our reputation has been built upon the development of traditional camping skills in a wide variety of activities on a beautiful site in the Haliburton Highlands.

Located near Minden Ontario, 2.5 hours from Toronto's Pearson International Airport, Kandalore is a privately owned, co-educational Summer Camp and Outdoor Education Centre.

Over 85% of Kandalore's campers are obtained from the domestic market which allows international campers to experience a truly Canadian camp atmosphere.

Kandalore has over 20 activities for campers to choose from while at camp and we work to develop campers' skills in the activities they select each day.
